

HOWARD MARTEN

FLUID TECHNOLOGIES INC.

DON'T GET LEFT IN THE DUST!

Trade in and upgrade your old abrasive blaster and receive

25% OFF AN ECOQUIP® 2 Vapor Abrasive Blast Machine*

from  **GRACO®**

Whether you are looking to make your business compliant with OSHA's Silica Rule or interested in trading up to a better wet abrasive machine, the time is now to upgrade to Graco's Vapor Abrasive technology. With our EcoQuip 2 line, you get:

- Fast production rates
- Low water usage so there's less mess – uses less than 1 liter of water per minute
- Low media usage so you can blast longer between refills
- Easy set up with just 5 simple steps

EcoQuip EQp

- Portable cart with lift handles
- Weighs only 220 lbs (99.8 kg)
- Blast pressures up to 150 psi (10.3 bar)
- Pot size of 2.0 cubic ft (56.6 l)
- Blast for up to 90 minutes

EcoQuip EQm

- Stand-alone unit on wheels
- Blast pressure ranging from 25-175 psi (1.7-12.1 bar)
- Pot size of 3.5 cubic ft (99.1 l)
- Blast for approx. 2 hours

EcoQuip EQs

- Fits inside a 6 ft truck bed for easy transport
- Coated, heavy-duty crash frame and enclosure
- Pot size of 6.5 cubic ft (184 l)
- Blast for approx. 4 or more hours

EcoQuip EQs Elite

- Fits in 6 ft truck bed for easy transport
- Crash frame supports 5x lift rating of machine
- Pot size of 6.5 cubic ft (184 l)
- Blast for approx. 4 or more hours

**Trade in any industrial 6.0 cubic ft. or larger dry or modified dry-to-wet blast system, or any size EcoQuip 1 or other manufacturer's wet abrasive machine for a new, qualifying EcoQuip 2 system and receive a 25% discount off MSRP at time of purchase. Trade-in is subject to Graco's approval. Contact your local Howard Marten Fluid Technologies branch for more information.*

Offer is valid from September 1 through November 30, 2017
